

284 Conditions in the iGUIDE based on 10 years of clinical data using the MRS 2000 in a clinical setting.

Note: the iMRS does not treat or cure any disease, it only helps and assists the body in healing itself.

iGUIDE Online

Acne

Acoustic neuroma

Acute injury

Adenomyosis

Aids

Allergies

Alopecia

Alzheimer's dementia

Amenorrhea

Amyotrophic lateral sclerosis

Anemia

Aneurysm

Angina pectoris

Ankylosing spondylitis

Anorgasmia

Aortic aneurysm

Appendicitis

Archilles tendinitis

Arrhythmias

Arterial Disease

Asthma

Attention deficit disorder/ Attention deficit/ Hyperactivity
(ADD/ADHD)

Autism

Autoimmune disease

Autonomic dystonia

Autonomic neuropathy

Back pain

Bed-wetting
Bell's Palsy
Benign prostatic hyperplasia
Blepharitis
Bloating
Boils
Brachial plexus injury
Bronchitis
Bruise
Bunion
Burn
Burnout
Bursitis
Calcaneal bursitis
Calf strain
Cancer (accompanying)
Carbuncles
Carpal tunnel syndrome
Cataract
Cervical myelopathy
Chalazion
Chickenpox
Childhood (prophylactic)
Cholecystitis
Chronic fatigue syndrome (CFS)
Cicatricial alopecia
Cirrhosis
Cold
Compartment syndrome
Competition preparation
Complex regional pain syndrome (CRPS)
Congestive heart failure
Conjunctivitis
Coronary artery disease
Coxarthitis

Crohn's Disease
Cystitis
Decubitus ulcers
Deep venous thrombosis
Degenerative disc disease (DDD)
Delayed onset muscle soreness
Dementia
Depression
Diabetes
Diarrhea
Diverticulitis
Dizziness
Dry mouth
Dysmenorrhea
Ear infection
Earache
Eczema (atopic dermatitis)
Embolism
Emphysema
Epilepsy (Contraindication)
Erectile dysfunction
Exhaustion
Failed back surgery syndrome
Fever
Fibrodysplasia ossificans progressiva
Fracture
Furuncles
Fybromyalgia
Gallstones
Ganglion cyst
Gastritis
Gastroesophageal reflux disease (GERD)
Gingivitis
Glaucoma
Goiter

Golfer's elbow
Gout
Grave's ophthalmopathy
Hammer toe
Heart attack
Heartburn
Heel spur
Hematoma
Hemolytic anemia
Hemorrhage
Hemorrhoids
Hepatitis
Herniated discs
Herpes simplex virus
Herpes zoster
Hyperhidrosis
Hypertension
Hyperthyroidism
Iliotibial band syndrome
Immune system support
Impotence
Indikation English
Infertility
Inflammation
Inflammatory bowel disease
Influenza
Insomnia
Irritable Bowel Syndrome
Joint dislocation
Jumper's knee
Juvenile idiopathic arthritis
Kidney stones
Laryngitis
Lateral epicondylitis
Legg-Calve-Perthes-Disease

Lichen planus
Ligament injuries
Liver disease
Lou Gehrig's disease
Low back pain
Malignancies
Mastoiditis
Measles
Meniere's disease
Meniscus tears
Menopausal symptoms
Menorrhagia
Meralgia paresthetica
Metabolic disease
Metastatic disease
Metatarsalgia
Migraine headache
Milk thistle
Mononeuritis multiplex
Mononucleosis
Multiple sclerosis
Mumps
Muscle aches
Muscle contraction
Muscle contusion
Muscle cramps
Muscle spasm
Muscle strain
Muscle tension
Muscle tension headache
Mycotic infection
Myocardial infarction
Myofascial pain
Myringotomy
Nausea

Neck pain
Necrosis
Nerve injuries
Neuralgia
Neuritis
Neurodermatitis
Neuropathic pain
Nocturnal enuresis
Obesity
Occlusive artery disease
Olecranon bursitis
Oral candidiasis
Orthostatic hypotension
Osgood-Schlatter's disease
Osteoarthritis
Osteochondrosis
Osteomyelitis
Osteonecrosis
Osteopenia
Osteoporosis
Otitis externa
Otitis media
Otosclerosis
Ovarian cysts
Overtraining syndrome
Pain (acute)
Pain (chronic)
Pancreatitis
Paralysis
Parkinson's disease
Patellar tendinitis
Periodontal disease
Periostitis
Peripheral artery disease
Peripheral neuropathy

Peripheral vascular disease
Pharyngitis
Pneumonia
Polyneuropathy
Post-exercise recovery
Postherpetic neuralgia
Pregnancy (Contraindication)
Premenstrual syndrome (PMS)
Prepatellar bursitis
Pressure ulcer
Prevention
Prosthetic joint
Prosthetic joint loosening
Psoriasis
Pulmonary embolism
Pyelonephritis
Quadriceps contusion
Radiculopathy
Raynaud's disease
Restless leg syndrome (RLS)
Retinitis pigmentosa
Rheumatic fever
Rheumatoid arthritis
Rheumatoid heart disease
Roseola
Rotator cuff tendinitis
Rubella
Sacroiliac joint dysfunction
Salivary glands
Sciatica
Scoliosis
Seizure disorder (Contraindication)
Sexual responds
Shin splints
Shingles

Sickle cell anemia
Sinusitis
Sleep disturbances
Sore throat
Spinal cord injuries
Spinal fusion
Spinal pain
Spinal surgery
Spondylolisthesis
Sport injuries
Sprain
Steatosis
Stenosing tenosynovitis
Steroid use and abuse
Stress
Stroke
Sty
Sudek's dystrophy
Sunburn
Supraventricular tachycardia
Synovial cyst
Synovitis
Systemically lupus erythematosus (SLE)
Tachycardia
Tendinitis
Tendon rupture
Tennis elbow
Tennis leg
Tenosynovitis
Thrombophlebitis
Tinnitus
Torn muscle
Torticollis
Trigeminal neuralgia
Trochanteric bursitis

Ulcerative colitis
Ulcers
Urethritis
Urinary incontinence
Urinary tract infection
Vaginal candidiasis
Varicella-zoster virus
Varicose veins
Venous disorder
Whiplash
Wound healing
Xerostomia
